- 25.2. Any setting out that may be done or checked by the Engineer-in-Charge or his representative or any line or level that may have been given or checked by either of them shall not in any way relieve the contractor of his responsibility for the correctness thereof.
- 25.3. Before starting the work, the Contractor must at his own cost and expense, erect temporary pillars as may be required in suitable places as directed by the Engineer-in-Charge. These pillars, from which the layout of all-important levels and alignment will be fixed, must be at such locations and of such a nature as not to be disturbed in the process of construction. The Contractor shall provide all instruments, appliances and labour required for setting out of the works and for the use and attendance upon the Engineer – in – Charge and / or his authorised representative whenever required for any purpose in connection with the works.

26. WORKING DRAWINGS

- 26.1. It is to be clearly understood that drawings forming a part of the tender documents are only for the purpose of indicating the type and nature of work involved. These are subject to be subsequently modified and/or supplemented by other drawings as required during actual execution of the work.
- 26.2. All works shall be carried out in conforming to drawings approved by KMDA. In token of such approval the drawings shall bear the signature of the Engineer-in-Charge before the same are issued for execution of the work in accordance there with. Such approval on drawings may be furnished on piecemeal as and when required during the progress of the work. The Contractor shall keep in touch with the Engineer-in-Charge about the drawings that may be under checking or in the process of approval and keep him informed well in advance of the particular drawing and drawings he would next require for the smooth progress of work.

27. WORKMANSHIP AND TESTING

- 27.1. All materials and workmanship shall be of the respective kinds described in the contract and shall be subject from time to time to such tests as the Engineer-in-Charge may direct at the place of manufacture of fabrication or on the site or at any such place. The Contractor shall provide assistance, instruments, machines, labour and materials as the Engineer-in-Charge may require for examining, measuring and for testing the works and the quality, weight or quantity of the materials used and shall supply samples for testing as may be selected and required by the Engineer-in-Charge. Necessary charges shall be borne by the Agency.
- 27.2. The Contractor shall keep in mind that officials of quality control unit of KMDA may be deputed at the site of works for testing of materials and workmanship. The Contractor shall extend necessary help in performing such tests at their own cost.

27.3. The Contractor shall also keep in mind that KMDA may provide 3rd party agency viz. Jadavpur University, Indian Institute of Engineering, Science and Technology, Shibpur, Indian Institute of Technology, Kharagpur etc. at the site of works for testing of materials and workmanship in addition to KMDA Quality Control unit. If any discrepancies arise regarding results between KMDA Quality Control and 3rd party quality, the decision of Tender Accepting Authority will be final. Necessary charges shall be borne by the Agency.

28. CO-OPERATION AND CO-ORDINATION WITH OTHER CONTRACTORS

During the pendency of this contract KMDA shall have the liberty to engage a number of contractors for ancillary works (not provided in this contract) on completion of any part of the job and the contractor shall extend co-operation to other contractors.

29. COMPLETION DRAWINGS

Immediately on completion of the work, the Contractor shall submit completion drawings, made in autoCAD software, 6 (six) hardcopies (preferably in A1 sheet), including the original softcopies (autoCAD and pdf formatted) of the same, each for all the works executed by him under the contract, for approval of the Engineer-in-Charge and concerned Local Body. It will be Contractor's responsibility to work at site, taking confidence to both the EIC and Local Authority. Final Payment will be made only after signing of Completion Drawings by both the EIC and Local Authority. The Contractor's rate shall be inclusive of such costs.

30. TOOLS AND PLANTS

The Contractor shall install tools and plants including HOT MIX PLANT at the land to be arranged by him at his own cost and he/they shall have to provide necessary approach road to the plant site from the site of work at his own cost.

Mobilization and installation of TOOLS and PLANT shall have to be completed by the Contractor at his own cost within 30 (Thirty) days from the date of receipt of the letter of acceptance of his Tender or the provisional work order, whichever is later, failing which the contract will be liable to termination with forfeiture of the amount of initial security as per detailed N.I.T. that may be lying with KMDA at that time without any reference to the contractor.

31. GUARANTEE AND MAINTENANCE

The Contractor shall stand guarantee for the works done by him for a period of 36 (thirty-six) months from the date of completion of work. Any defects and short comings due to defective construction shall have to be made good by the Contractor at his own cost and expense inclusive of all cost of materials and labours. The Contractor shall have to make good the damages due to natural wear and tear at his own cost and expense inclusive of all cost of materials and labours. The Contractor shall have to maintain the assets for the entire guarantee period. The rate to be quoted by the Contractor shall be inclusive of all such costs.

32. REGISTRATION OF ESTABLISHMENT AND COLLECTION OF CESS

As per Building and other construction workers (RECS) Act 1996 and Building and other construction workers Welfare Cess Act 1996 and rules framed there under, the contractor employing more than ten construction workers should obtain registration from the registering officer (Assistant Labour Commissioner at regional labour offices) and an amount @ 1% as Cess shall be deducted from the progressive bill for the work executed as per G. O. No. 853 – F dated 01. 02. 2006 issued by Finance department, Govt. of W. B., Finance Dept. 1. All works proposed for execution by contract will be notified in a form of invitation to tender posted in the public places and signed by the Officer-in-charge.

This form will state the work to be carried out, as well as the date for submitting and opening tenders and the time allowed for carrying out of the work, also the amount of earnest money to be deposited with the tender, and the amount of the security deposit to be deposited by the successful tendered and percentage, if any, to be deducted from bills. Copies of the specifications, designs and drawings and any other documents required in connection with the work, signed for the purpose of identification by the Officer-in-charge shall also be opened for inspection by the contractor at the office of the Officer-in-charge during office hours.

2. In the event of the tender being submitted by a firm, it must be signed separately by each member thereof or, in the event of the absence of any partner, it must be signed on his behalf by a person holding a power-of-attorney authorising him to do so. Such power-of-attorney must be produced with tender, and say in the case of a firm carried on by one member of joint family, it must disclose that the firm is duly registered under the Indian Partnership Act.

3. Receipts for payments made on account of a work, when executed by a firm must also be signed by the several partners except where the contractors are described in their tenders as a firm, in which case the receipts must be signed in the name of the firm by one of the partners or by some other person having authority to give effectual receipts for firm.

4. Any person who submits a tender shall fill up the usual printed form, stating at what rate he is willing to undertake each item of the work. Tenders which propose any alteration in the work specified in the said form of invitation to tender, or in the time allowed for carrying out the work or which contain any other conditions of any sort, will be liable to rejection. No single tender shall include more than one work, but contractors who wish to tender for two or more works shall submit a tender for each. Tenders shall have the name and numbers of the work to which they refer written outside the envelope.

5. The Officer-in-charge, or his duly authorised assistant will open tenders in the presence of any intending contractors who may be present at the time and will enter the amount of the several tenders in a Comparative Statement in a suitable form. In the event of a tender being accepted, a receipt for the earnest money forwarded therewith shall thereupon be given to the contractor, who shall thereupon for the purpose of identification sign copies of the specification and other documents mentioned in Rule - 1. In the event of tender being rejected, the earnest money forwarded with such unaccepted tender shall be refunded within 10 days from the date on which the tender is decided; provided the contractor(s) present himself/themselves before the Officer-in-charge to take the refund.

6. The accepting authority reserves the right to reject any or all the tender without assigning any reasons and he will not bound to accept either the lowest tender, or any of the tender.

7. The receipt of any accountant or clerk for any money paid by the contractor will not be considered as any acknowledgement of payment to the officer and the contractor shall be responsible for seeing that he procures a receipt signed by the Officer-in-charge, or duly authorised Cashier.

8. The memorandum or work tendered for, and the schedule of materials to be supplied by the KMDA and their issue rates, shall be filled in and completed in the office of the Officer-in-charge before the tender form issued. If a form is issued to an intending contractor without having been so filled in and completed, he shall request the office to have this done before he completes and delivers this tender.

CONDITIONS OF CONTRACT

Clause 1 - The person/persons, whose tenders may be accepted (hereafter called the contractors) shall permit the KMDA at the time of making any payment to him for work done under the contract to deduct such sum as along with the sum..... already deposited as earnest money will amount to 10% of the Tendered amount.

Security deposit

Such deductions to be held by KMDA by way of security deposit provided always that the KMDA for this purpose shall be entitled to recover 8 % of the amount of each running bill till the balance of the amount of security deposit is realised. All compensation or other sums of money payable by the contractor under terms of this contract may be deducted from or paid by the sale of a sufficient part of his security deposit, or from the interest arising there from or from any sums which may be due to or may become due to the contractor by KMDA on any account whatsoever and in the event of his/their security deposit being reduced by reason of any such deductions or sale as foresaid, the contractor shall within 10 days make good in cash or fixed deposit receipt tendered by the State Bank of India or by Scheduled/Nationalized Banks of Government securities (if deposited for more than 12 months) endorsed in favour of the KMDA any sum or sums which may have been deducted from, or raised by sale of his/their security deposit or any part thereof. The security deposit shall be collected from the running bills of the contractor at the rates mentioned above and the earnest money, if deposited in cash at the time of tenders, will be treated as part of the security deposit.

Clause 2 - The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the order to commence work is given to the contractor. The work shall throughout the stipulated period for contract be proceeded with all due diligence (time being deemed to be the essence of the contract, on the part of the contractor) and the contractor shall pay as compensation all amount equal to one per cent, or such smaller amount as the Superintending Engineer/Chief Engineer (whose decision in writing shall be final) may decide on the amount of the tender, amount of the whole work as shown in the tender, for everyday that the work remains uncommenced or unfinished after the proper dates. The contractor shall commence execution of such part of the work as may be notified to him within.....days from the date of order for commencement of work and diligently continue such work and further to ensure good progress during the execution of the work and he shall be bound in all cases in which the time allowed for any work exceeds one month, complete one-fourth of the whole of the work, before one-fourth of the whole time allowed under the contract has elapsed, one-half of the work, before one-half of such time has elapsed, and three-fourth of the work before three-fourth of such time has elapsed.

Compensation for delay

(4)

In the event of the contractor failing to comply with any of the conditions herein he shall be liable to pay as compensation an amount equal to one per cent or such smaller amount as the Superintending Engineer/Chief Engineer (whose decision in writing shall be final) may decide on the said tender amount of the whole work for every day that the due quantity of work remains incomplete PROVIDED ALWAYS that the entire amount of compensation to be paid under provisions of this clause shall not exceed ten per cent of the tendered amount of work as shown in the tender.

Action when whole of security deposit is forfeited

Clause 3 - In any case in which under any clause or clauses of this contract the contractor shall have rendered himself liable to pay compensation amounting to the whole of his security deposit (whether paid in one sum or deducted by instalment) the Executive Engineer, on behalf of the KMDA shall have power to adopt any of the following course as he may deem best suited to interest of KMDA.

- a) To rescind the contract (of which rescission notice in writing to the contractor under the hand of the Executive Engineer shall be conclusive evidence) and in which case the security deposit of the contractor shall stand forfeited, and be absolutely at the disposal of KMDA.
- b) To employ labour paid by KMDA and to supply materials to carry out the work, or any part of the work, debiting the contractor with the cost of the labour and the price of the materials (for the amount of which cost and price a certificate of the Executive Engineer shall be final and conclusive against the contractor) and crediting him with the value of the work done in all respects in the same manner and the same rates as if it had been carried out by the contractor under the terms of this contract; the certificate of the Executive Engineer as to the work done shall be final and conclusive against the contractor.
- c) To measure up the work of the contractor, and to take such part thereof as shall be unexecuted out of his hands and to give it to another contractor to complete, in which case any expense which may be incurred in excess of the sum which have been paid to the original contractor, if the whole work had been executed by him of the amount of which excess the certificate in writing of the Executive Engineer shall be final and conclusive, shall be borne and paid by the original contractor and may be deducted from any money due to him KMDA under the contract or otherwise, or from his security deposits or the proceeds of sale thereof, of a sufficient part thereof.

In the event of any of the above course being adopted by the Executive Engineers the contractor shall have no claim to compensation for any loss sustained by him reason of his having purchased, or procured any materials, or entered into any engagement or made any advances on account of or with a view to executing of the work or the performance of the contract. (And in case the contract shall be rescinded under the provision aforesaid) the contractor shall not be entitled to cover or be paid any sum for any work thereof actually performed under this contract, unless and until the Executive Engineer will have certified in writing the performance of such work and the value payable in respect thereof and he shall only be entitled to be paid the value so certified.

Contractor remains liable to pay compensation if action not taken under Clause-3

Clause 4 - In any case in which any of the powers conferred upon the Executive Engineer by Clause 3 hereof, shall have become exercisable and the same shall not be exercised, the non-exercise thereof shall not constitute a waiver of any of the conditions hereof and such power shall notwithstanding be exercisable in the event of any future case of default by the contractor for which by any clause or clauses hereof he is declared liable to pay compensation

(5)

amounting to the whole of his security deposit, and the liability of the contractor for past and future compensation shall remain unaffected in the event of the Executive Engineer putting in force either of the powers (a) or (b) vested in him under the preceding clause, he may, if so desire, take possession of all or any tools, plants, materials and stores, in or upon the works, or the site thereof or belonging to the contractor, or procured by him and intended to be used for the execution of the work or any part thereof, paying or allowing for the same in account at the contract rates or in case of these not being applicable a current market rates to be certified by the Executive Engineer whose certificate thereof shall be final, otherwise the Executive Engineer may by notice in writing to the contractor or his clerk of the works, foreman or other authorized agent required him to remove such tools, plant, materials or stores from the premises (within a time to be specified in such notice) and in the event of the contractor failing to comply with any such requisition the Executive Engineer may remove them at the contractor's expense or sell them by auction or private sale on account of the contractor at his risk in all respects and the certificate of the Executive Engineer as to the expense of any such removal and the amount of the proceeds and expense of any such sale shall be final and conclusive against the contractor.

Power to take possession of, or require removal of or sell contractors plant

Clause 5 - If the contractor desires an extension of the time for completion of the works on the grounds of his having been unavoidable hindered in its execution, the contractor shall give an immediate report of such hindrance to the Executive Engineer in writing and if he desires an extension of time for completion of the work on the ground thereof, he shall apply in writing to the Executive Engineer within 7 days of the date of cessation of such hindrance on account of which he desires such extension as aforesaid and the Executive Engineer shall (if in his opinion which shall be final reasonable grounds be shown thereof) recommend such extension of time, as may, in the opinion, be necessary or proper to the final authority i.e.C.E.O./KMDA through S.E./C.E. as the case may

Extension time

Clause 6 - On completion of the work, the contractor shall be furnished with a certificate by the Executive Engineer (hereunder called the Engineer-in-charge) of such completion, nor shall the work be considered to be completed until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish and cleaned of the dirt from all wood-work, door, windows, walls, floors, or other parts of any building, in, upon or about which the work is to be executed, or of which he may had have possession for the purpose of the execution thereof not until the work shall have been measured by the Engineer-in-charge whose measurement shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and cleaning of dirt on or before the date fixed for the completion of the work, the Engineer-in-charge may at the expense of the contractor remove such scaffolding, surplus material and rubbish, and dispose off the same as he thinks fit and clean of such dirt as aforesaid and the contractor shall forthwith pay the amount of all expenses so incurred and shall have not claim in respect of any such scaffolding or surplus materials as aforesaid except for any sum actually realised by the sale thereof.

Final Certificate

Clause 7 - No payment shall be made for work estimated to cost less than Rupees one thousand, till after the whole of the works have been completed and a certificate of completion given. But in the case of works estimated to cost more than Rupees one thousand, the contractor shall on submitting the bill thereof be entitled to receive a monthly payment proportionate to the part thereof, then approved and passed by the Engineer-in-charge whose certificate of such approval and passing of the sum so payable shall be final and conclusive against the contractor. But all such intermediate payments shall be regarded as payment by way of advance against the final payment only and not as payment for work actually done and completed, and shall not preclude the requiring of bad, unsound, and imperfect or unskilful work to be removed and taken away and reconstructed, or re-erected, or be considered as an admission of the due performance of the contract, or any part thereof in any respect of the accruing of any claim nor shall it conclude, determine, or affect in any way the powers of the Engineer-in-charge under these conditions or any of them as the final settlement and adjustment of accounts or otherwise or in any other way very effect of the contract. The final bill shall be submitted by the contractor within one month of the date fixed for completion of the work, otherwise the Engineer-in-charge's Certificate of the measurement and of the total amount payable for the work accordingly shall be final and binding on all parties.

Payment on intermediate certificate to be regarded as advance

Bills to be submitted monthly

Clause 8 - A bill shall be submitted by the contractor each month on or before the date fixed by the Engineer-in-charge for all work executed in the previous month and the Engineer-in-charge shall take or cause to be taken the requisite measurement for the purpose of having the same verified and claim, as far admissible, adjusted if possible, before expiry of ten days from the presentation of the bill. If the contractor does not submit the bill within the time fixed as aforesaid, the Engineer-in-charge may depute, a-subordinate to measure up the said work in the presence of the contractor, counter signature to the measurement list will be sufficient warrant and the Engineer-in-charge may prepare a bill from such list which shall be binding on the contractor in all respect.

Bills to be on printed forms

Clause 9 - The contractor shall submit all bills on the printed forms to be had on application at the office of the Engineer-in-charge, and the charges in the bills shall always be entered at the rates specified in the tender or in the case of any extra work ordered in pursuance of these conditions, and not mentioned or provided for in the tender at the rates here-in-after provided for such work.

Payment on contractor's bill to Bank

Clause 9A - (1) Payment due to the contractor may, if so desired by him be made to his Bank instead or direct to him, provided that the contractor furnishes to the Engineer-in-charge ;

- (i) an authorisation in the form of a legally valid document irrevocable power of attorney conferring authority on the Bank to receive payment ; and
- (ii) his own acceptance of the correctness of the account made out as being due to him by KMDA or his signature on the bill or other claim preferred against Government before settlement by the Engineer-in-charge of the account or claim by payment to the Bank.

While the receipt given by such Bank shall constitute a full and sufficient discharge for the payment, the contractor should, wherever possible, present his bills duly received and discharged through Bankers.

(2) In the case of bills which the contractor present for payment direct and which are not endorsed in favour of the Bank, while efforts will be made to secure payment to the financing Bank, payments made to the contractor should be accepted as full acquittance so far as KMDA is concerned. As part of the arrangement the financing Bank should give KMDA a letter to this effect.

Note 1 — The procedure will not effect the usual rights of KMDA to deduct from contractor's bill (whether endorsed in favour of a Bank or not) any sum due to KMDA in account of penalties, overpayment etc. on this or any other contract with the KMDA.

Note 2 — Nothing herein contained shall operate to create in favour of the Bank any rights or equities vis-a-vis the Chairman, KMDA.

Stores supplied by KMDA

Clause 10 - If the specification or estimate of the work provides for the use of any special description of materials to be supplied to the Engineer-in-charge's store, or if it is required that the contractor shall use certain stores to be provided by the Engineer-in-charge (such materials and stores and the prices to be charged therefor as hereinafter mentioned being so far as practicable for the convenience of the contractor, but not so as in any way to control the meaning or effect of this contract specified in the schedule or memorandum hereto annexed). The contractor shall be supplied with such materials and stores as required from time to time used by him for the purposes of the contract only, and the value of the full quantity of materials and stores so supplied at the rates specified in the said schedule memorandum may be set off or deducted from any sum then due or thereafter to become due to the contractor under the contract or otherwise, or against or from the security deposit, or the proceeds of sale thereof if the same is held in KMDA securities, the same or sufficient portion thereof being in this case sold for the purpose. All materials supplied to the contractor shall remain the absolute property of KMDA and shall not on any account be removed from the site of the work, and shall at all times be open to inspection by the Engineer-in-charge. Any such material unused and in perfectly good condition at the time of completion or determination of the contract shall be returned to the Engineer-in-charge's store, if by a notice in writing under his hand, he shall so require. But the contractor shall not be entitled to return any such materials unless with such consent, and shall have no claim for compensation on account of any such materials so supplied to him as aforesaid being unused by him, for any wastage in or damage to any such materials.

Clause 11 - The contractor shall execute the whole and every part of work in the most substantial and workmanlike manner and both as regards materials and otherwise in every respect in strict accordance with the specifications. The contractor shall also confirm exactly, fully faithfully to designs, drawings and instructions, in writing relating to the work signed by the Engineer-in-charge and lodged in his office and to which the contractor shall be entitled to have access as such office, or in the site of the work for the purpose of inspection during office hours, and the contractor shall if he so require, be entitled at his own expense to make or cause to be made copies of the specification, and of all such designs, drawings, and instructions as aforesaid.

Works to be executed in accordance with specifications, drawing, orders etc.

Clause 12 - The Engineer-in-charge shall have power to make any alteration in, omissions from, additions to or substitutions for the original specifications, drawings, designs and instructions, that may appear to him to be necessary or advisable during the progress of the work, and the contractor shall be bound to carry out the work in accordance with any instruction which may be given to him in writing signed by the Engineer-in-charge, and such alterations, omissions, additions or substitutions shall not invalidate the contract, and any altered, additional or substituted work which the contractor may be directed to do in the manner above specified as part of the work, shall be carried out by the contractor on the same conditions in all respect on which he agreed to do the main work on the same basis of rates as are specified in the tender for the main work. The time for the completion of the work shall be extended in the proportion that the altered, additional or substituted work bears to the original contract work and the certificate of the Engineer-in-charge shall be conclusive as to such proportion. If the altered, additional or substituted work includes any class of work, for which no rate is specified in this contract, that class of work shall be carried out at the rates entered in the schedule of rates of the Presidency Circle, P. W. D./P.W.D. (Roads), Govt. of West Bengal the contract specified in the documents minus/plus the percentage which the total tendered amount bears to the estimated cost of the entire work put to tender and if the altered, additional or substituted work is not entered in the said schedule of rates, then the contractor shall within seven days of the date of his receipt of the order to carry out the work inform the Engineer-in-charge of the rate which is his intention to charge for such class of work. If the Engineer-in-charge does not agree to this rate he shall, by notice in writings, be at liberty to cancel his order to carry out such class or work and arrange to carry it out in such manner as he may consider advisable providing always that if the contractor shall commence work or incur any expenditure in regard thereto before the rate shall have been determined as lastly hereinbefore mentioned then and in such case he shall only be entitled to be paid in respect of the work carried out or expenditure incurred by him prior to the date of the determination of the rate as aforesaid according to such rate as shall be fixed by the Engineer-in-charge. In the event of the dispute, the decision of the Superintending Engineer/Chief Engineer shall be final.

Road-Rollers, if available, shall be supplied by the KMDA/Government upon payment of hire charges at the rates and on the conditions specified below. The contractor should requisition Road-Rollers at least two weeks before the date on which the same are required mentioning the date on which delivery is desired. In case, rollers cannot be made available to the contractor on that date, requisite extension of time shall be granted to the contractor for completion of the work, but the contractor shall not be entitled to claim any compensation for loss of labour or any other cause whatsoever.

A-HIRE CHARGES

(1) Petrol, diesel or steam Road-Rollers 8 tons or over at the rates as per prevailing Schedule rate (enclosed).

The departmental crew (i.e. a driver and a fireman or cleaner) for each roller ordinarily provided by the department and their pay will be recovered extra from the contractor at the rates as per prevailing schedule rate (enclosed).

1. (a) The Road-Roller will be made over and taken back at the site of the work. The roller charges (which included the hire charges and the wages of the departmental crew) shall be recovered at the prescribed rates from the date of roller is made over till the date it is taken back even though the rollers may not have been working. If however, any roller remains idle for two or more days at a stretch for any of reason or reasons mentioned below and provided the contractor

submits within a week of the date of occurrence of the contingency, an application through the Asstt. Engineer's Office to the Engineer-in-charge, praying for exemption from payment of roller charges (showing reasons and particulars for exemption), the Engineer-in-charge may at his discretion and if he is satisfied that there were sufficient reasons, allow exemption from payment of the said roller charges for such days as he may consider reasonable under the circumstances.

THE REASONS FOR WHICH EXEMPTION BE ALLOWED ARE

- (i) Continued unfavorable weather condition for carrying out particulars type of work on which the roller is engaged.
- (ii) Lack of roller work for reasons beyond the control of the contractors.
- (iii) Diversion of the roller by the Engineer-in-charge to other works.
- (iv) Any other reasons precluding the work of the roller.

The contractor shall not in any event be entitled to claim any compensation for loss of labour or for any other loss whatsoever which may have been incurred by him during the period for which exemption from payment of the charges is allowed.

(b) The rollers and other equipments shall be fully utilized for the purpose for which the same are made over and shall not be allowed to remain idle when they are in working condition. The time limits for the working-days for each type of rolling shall be fixed according to the limits of work output given in Statement I & II below. If the actual number of days of roller work exceed the limit, the hire charges and the wages of the departmental crew shall be charged at double the prescribed rates. If the actual number of days of roller work is less than the number of days calculated on the specified floor limit for the number of days in excess of such limit, the hire charges and the wages of the departmental crew shall be charged at double the prescribed rates. If the actual number of days of roller work is less than the number of days calculated on the specified ceiling limit, the hire charges for the roller and the wages of the departmental crew shall be recovered on the number of days calculated on the specified ceiling limit. In all cases part of a day shall be counted as full day.

2. The departmental crew shall be on operational charges of the roller, but the guarding of the machinery will have to be arranged by the contractor at his own cost.

3. The roller issued to the contractor is to work for 6 days in a week with stoppage of work on the seventh day for general cleaning and petty repairs. Contractors will pay for hire charges as well as for wages of the departmental crew for the whole week i.e. 7 days.

4. Clean water for operating and washing the rollers shall be supplied by the contractor at his cost.

5. Fuel, (petrol, diesel or steam coal) and ancillaries such as match boxes, kerosine oil, fire wood and cotton waste for work in lighting up, cleaning etc., of road-rollers shall have to be supplied by the contractor at the expenses, steam coal for steam road-rollers and diesel oil for diesel road-roller may however be supplied by the department at the rates specified in the agreement and cost debited to the contractor's account accordingly.

6. The grease and lubricating oil required for operating and maintenance of the rollers shall be supplied by the department free of cost.

The limit of work out-put to be allowed for Petrol, Diesel or steam Road-Roller of 6 tons or less 25% less than the limit for the corresponding items in Statement - I above.

TAR AND BITUMEN

1. The contractor undertakes to make arrangements for the supervision of the work by the firm supplying tar or bitumen used.

2. The contractor shall collect the total quantity of tar-or bitumen required for the work as per standard formula, before the process of painting is started and shall hypothecate it to the Engineer-in-charge against money advanced by KMDA. If any bitumen or tar remain unused on completion of the work on account of lesser used of materials in actual execution, for reasons other than authorised charges in specification and abandonment of portion of work, a corresponding deduction equivalent to the cost of unused materials as determined by the Engineer-in-charge shall be made and the materials returned to the contractor, although the materials are hypothecated to KMDA, the contractor undertakes the responsibility for their proper watch, safe custody and protection against all risks. The materials shall not removed from the site of work without the consent of the Engineer-in-charge in writing.

ADDITIONAL CLAUSE

1. In case where the responsibility of despatch of stores rests with the suppliers but the freight is payable by the purchaser, the supplier should despatch the stores by the most economical method, using the full wagon load whenever it is possible and economical to do so, failing which the supplier will render himself liable for the whole or part of any avoidable expenditure caused by such default.

2. The contractor will have to make his own arrangement for the carriage of Materials.

3. Imported labour may be allotted to contractors at the market rate for labour employed in the locality in the case where the employment of this labour by the contractors as of mutual advantages to KMDA and the contractor.

But in case where the contractor has failed to secure his own labour, imported labour may be forced on him at rate to be decided by the Chief Engineer/Superintending Engineer. The decision of the Chief Engineer/Superintending Engineer to the circumstances in which the employment of imported labour is of mutual advantage will be final and binding on all parties to the contract.

In other cases imported labour need not be forced on contractor but the Engineer-in-charge should at once given in writing to all contractors that if they object to taking labour from the Government now but latter require labour to complete their work in time, will be allotted Government labour as available and will be charged full cost at the rate/ rates specified in the said written notice.
