### 3. Completion Certificate:

- i. Completion Certificates for fully completed works during the current year and last five financial years will only be accepted. Certificates issued for partly completed works will not be considered.
- ii. Completion Certificate of work executed in KMDA will be considered. Completion Certificate of works executed in other Departments of State Government or organizations, like Public Works & Public Works (Roads) Department, Irrigation & Waterways Department, Public Health Engineering Department, Sundarban Affairs Department and various other State Government Departments, ZillaParishads, West Bengal Housing Infrastructure Development Corporation Limited (WBHIDCO), West Bengal State Electricity Distribution Company Limited (WBSEDCL), Kolkata Metropolitan Development Authority (KMDA), Kolkata Metropolitan Water Sanitation Authority (KMW&SA), Kolkata Municipal Corporation (KMC), Other Municipalities, Hooghly River Bridge Commissioner (HRBC), Engineering Departments of Central Government and Organizations like Farakka Barrage Project (FBP) Authority, Railways, Kolkata Port Trust (KoPT), and companies owned or managed by the State Government, i.e. Mackintosh Burn Ltd., Westinghouse Saxby Farmer Limited & Britannia Engineering Ltd. may also be considered. Such Completion Certificates are to be issued by an officer not below the rank of Executive Engineer / Divisional Engineer / District Engineer / Project Manager of the other State / Central Government Departments / Organizations.

#### 3.1 Penalty for suppression / distortion of facts

- If any tender fails to produce the original hard copies of the documents (especially Completion Certificates and audited balance sheets), or any other documents on demand of the Tender Evaluation Committee within a specified time frame or if any deviation is the hard copies from the uploaded soft copies of if there is any suppression, the Tender Evaluation Committee upon suggesting suitable punitive measures will bring the matter to the notice of the Chief Engineer concerned immediately and the tenderers may be suspended from participating in the tenders on e-Tender platform of Water Supply Sector in KMDA for a maximum period 3 (three) years. In addition, his Earnest Money Deposit will stand forfeited by KMDA. The Chief Engineer concerned will issue the necessary orders under intimation to the other Chief Engineers, e-Tendering Cell and also the Department, copy of such order should also invariably to be communicated to the Nodal Officer, e-Governance of this Department with a request to upload the same in the Departmental website.
- **Debarment Clause:** In case of forgery or falsification of record submitted by the bidder or failure to execute committed contract or their failure to perform contractual obligation and thereby resulting delay of the works or execution of the faulty works, the contractor/supplier/consultant may be suspended or debarred from KMDA as per the procedure stated in the PWD memorandumNo-724-W(C)/1M-953/19, Dated-19.12.2019 and as per PWD, Govt of WB guideline vide no. 547-W(C)/1M-387/15 dated 16.11.2015.

#### 3.2 Taxes & duties to be borne by the Contractor

Income Tax, Labour Welfare Cess, GST and Other Taxes as per Govt. Rules to be borne by the contractor.

#### 3.3 Site inspection before submission of tender

Before submitting any tender, the intending tenderers should make themselves acquainted thoroughly with the local conditions prevailing at site by actual inspection of the site and taking into consideration all factors and difficulties like to be involved in the execution of work in all respect including transportation of materials, communication facilities, climate conditions, nature

of soil, availability of local labour and market rate prevailing in the locality etc. and no claim, whatsoever, will be entertained on these account afterwards. In this connection intending tenderers may contact the office of the Executive Engineer, concerned between 11.30 hours to 16.30 hours on any working day prior to date of submission of tenders.

- 3.4 Agency shall have to arrange required land for installation of Plant & machineries, storing materials, labour shade etc. at their own cost and responsibility, nearest to the work site.

### 3.5 **Conditional and incomplete tender**

Conditional and incomplete tenders are liable to summary rejection.

## 4. **Opening and evaluation of tender**

### 4.1 **Opening of Technical Proposal**

- a) Technical proposals will be opened by the Tender inviting authority or his authorized representative electronically from the website stated above, using their Digital Signature Certificate.
- b) Intending tenderers may remain present at the time of opening if they so desire.
- c) Cover (Folder) for Statutory Documents (vide Clause 3.2A) will be opened first and if found in order, Cover (Folder) for Non-statutory Documents (vide Clause 3.2.B) will be opened. If there is any deficiency in the Statutory Documents, the tender will summarily be rejected.
- d) Decrypted (transformed into readable formats) documents of the Non-statutory Cover will be evaluated to finalize eligible tenderers.

### 4.2 **Tender Evaluation Committee (TEC)**

Committee already constituted for issuance of tender papers for high value tenders, will continue to function as Tender Evaluation Committee (TEC), for evaluation of Technical Proposals of the tenders, until further order.

### 4.3 **Uploading of summary list of technically qualified Tenderer**

- i. Pursuant to scrutiny and decision of the Technical Evaluation Committee (TEC), the summary list of eligible tenderers for a particular serial of work who's Financial Proposals will be considered will be uploaded in the web portals.
- ii. While evaluation, the Committee may summon the tenderers and seek clarification / information or additional documents or original hard copy of any of the documents already submitted and if these cannot be produced within the stipulated timeframe, their proposals will be liable for rejection.

### 4.4 **Opening and evaluation of Financial Proposal**

- i. Financial proposals of the tenderers declared technically eligible by the Tender Evaluation Committee will be opened electronically by the Tender Inviting Authority from the web portal stated above on the prescribed date.
- ii. The encrypted copies will be decrypted and the rates will be read out to the contractors remaining present at that time.
- iii. After opening of the financial proposal the preliminary summary result containing inter-alia, name of contractors and the rates quoted by them will be uploaded
- iv. If the Tender Accepting Authority is satisfied that the rate obtained is fair and reasonable and there is no scope of further lowering down of rate, he may after having the comparative statement checked, upload the final summary result containing the name of contractors and the rates quoted by them against each work after acceptance of the rate.
- v. The Tender Accepting Authority may ask any of the tenderers to submit analysis to justify the rate quoted by that tenderers.

**5. Bid Validity:** The Bid will be valid for **120 days** from the date of opening of the financial bid.

## 6. **Acceptance of Tender**

Lowest valid rate should normally be accepted. However, the Tender Accepting Authority does not bind himself to do so and reserves the right to reject any or all the tenders, for valid reasons at any stage of tender process even after opening of financial bid.

### 6.1 **Tender Accepting Authority**

As per prevalent orders of Finance Dept, Govt of WB, Tender Accepting Authority for different tenders is as follows:

- a) For tenders above upto 2.5 crore: *Superintending Engineer*,
- b) For tenders above 2.5 crore upto 5.0 crore: *Chief Engineer*
- c) For tenders of value 5.0 crores or more: With approval of Govt. appointed Tender Committee.

## 6.2 Execution of Formal tender after acceptance of tender

The tenderers, whose tender is approved for acceptance, shall within **20(twenty) days** of the receipt of Letter of Acceptance (LOA) to him, will have to execute 'Formal Agreement' with the Tender Accepting Authority in seven/ten copies and one original copy of KMDA Form No. I which may be purchased on Cash Payment/Demand Draft from the office of the Executive Engineer concerned with the work.

6.3 The NIT shall form a part of the contract agreement. On acceptance of the bid, the successful bidder shall have to sign the contract consisting of NIT, instruction to bidders, special terms and conditions, specification, BOQ, Drawing, Rate quoted, LOA and Tender Form I.

## 7. Payment

The payment of R.A bill as well as Final bill for any work will be made according to the availability of fund and no claim to delay in payment will be entertained. Payment will be made as per actual work completed at site and as per Payment break-up schedule for the work dully approved by TIA.

## 8. Security Deposits:

- i) The Earnest money deposited by the lowest bidder (hereinafter shall be called the contractor) shall be converted into security deposit.
- ii) The authority making payment shall deduct such sum which together with the Earnest Money already deposited and converted into security deposit, shall amount to **10%** of the value of works executed at the material point of time and paid during the progressive running accounts bills, so that total deduction against Security deposit together with Earnest Money constitute 10% of the tendered value of work actually done.
- iii) After completion of the work, the Contractor may opt for refund of the Security Deposit by replacing equal amount of Bank Guarantee of scheduled Bank valid up to 3 months beyond the defect liability period. **While issuing Bank Guarantee in favour of KMDA, the issuing applicants must mentioned receivers details as ICICI Bank, IFSC: ICIC0006950, Branch Salt Lake, Sec-I, in BG text at which SFMS IFIN 760 message to be send by issuing bank to establish the authenticity of the given BG.**
- iv) For this work with **05(Five) years Defect Liability Period:**
  - a) No security deposit shall be refunded to the contractor for 1st (first) 3(three) years from the actual date of completion of the work.
  - b) **30% of the security deposit** shall be refunded to the contractor on expiry of **four years** from the actual date of completion of the work.
  - c) The balance **70% of the security deposit** shall be refunded to the contractor on expiry of **Five years** from the actual date of completion of the work.

## 9. Defect Liability:

- i) The contract will have the Defect liability for a period of **05(Five) Years** from the date of successful completion of the work.
- ii) Prospective Bidder shall have to execute the work in such manner so that appropriate service level of the work under improvement is to be maintained during progress of the work and during Defect Liability Period from the date of successful completion of the work up to the entire satisfaction of the Engineer in Charge. If any defect / damage is detected during this period as mentioned above the contractor shall make the same good at his own expense to the satisfaction of the Engineer in Charge or in default the Engineer in Charge may cause the same to be made good by other agency and deduct the cost (of which the certificate of the Engineer in Charge shall be final) from his security deposit or any sums that may be then, or at any time thereafter become due to the contractor. Security Deposit shall become payable only during Defect Liability Period as mentioned in clause for Security Deposit in NIT after making necessary deduction if applicable.

10. If the stipulations in the various tender documents be found to be at variance in any respect, one will override others, only to the extent as those are at variance, in the order of precedence as given in the list below :

- i) Letter of Acceptance,
- ii) Corrigendum, addendum, minutes etc. before opening of tender,

#### Additional Terms & Conditions

1. The prospective bidders shall have to submit valid license for storage & transportation of explosive Or shall have to submit a MoU with a vendor of liquid chlorine, who possess valid explosive license for storage & transportation, for supplying chlorine tonners to the WTP, if the bidder gets the contract.
2. The agency has to remove sludge from the Sludge pond/Tank at the WTP and dispose at suitable location outside the plant premises, as and when required in such a way that the pond should not get filled to its brim and the frequency of entire cleaning up to full capacity of Sludge pond should not be less than once in a year, failing which the Agency will be penalized at a rate of **Rs. 105.00 (One hundred five) only per Cu.M.** of sludge for full capacity of Sludge Pond.
3. The cost of salvaged sludge as obtained from the pond/Tank by the agency will be recovered by KMDA at the rate of **Rs. 34.92 per Cu.M** from the R.A. Bill in each executing Year/Final Bill of the Agency.
4. Tonners for Liquid Chlorine for the WTP have to be arranged by the Agency. All Tonners should be properly tested & certified. However KMDA's Cylinder may be used for refilling, if available at the WTP, after necessary testing & certification by the agency at his own cost.
5. For O&M work of WTP, the agency have to maintain water turbidity and other parameter of treated water as per latest CPHEEO guideline. Treated water at Clear Water Reservoir (CWR) of WTP should be free from

- Coliform as per CPHEEO guideline. All test should be done regularly at own cost of the agency and as per direction of concerned Executive Engineer-in- charge.
6. For O&M work of WTP, the agency have to maintain the chart for regular use of chlorine and coagulant and also have to provide and maintain the list of manpower engaged for O&M work and have to submit to the concerned Executive Engineer-in- charge.
  7. The Executive Engineer of the Division concerned will be the Engineer-in-Charge in respect of the contract and all correspondence concerning rates, claims, change in specification and/or design and similar important matters will be valid only if made by the Engineer-in-Charge. If any correspondence of above tender is made with Officers other than the Engineer-in-charge for speedy execution of works, the same will not be valid unless copies are sent to the Engineer-in-Charge and approved by him. The instruction given by the Assistant Engineer and the Junior Engineer on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of dispute, the decision of Engineer-in-Charge shall be final and binding.
  8. The acceptance of the tender will rest with the Tender Accepting Authority without assigning reason thereof. The accepting authority reserves right to reject any or all tenders without assigning any reason thereof.
  9. There shall be no provision for arbitration.
  10. The Bidder shall have to comply with the provisions of (a) Contract labour (Regulation & abolition) Rules, 1970(b) Minimum Wages Act 1948 or the modification thereof or any other laws relating thereto as will be in force from time to time.
  11. Persons having authenticated and having registered Power of Attorney may be considered lawfully becoming to be acting on and for behalf of the Bidder.
  12. Department shall not entertain any claim whatsoever from the contractor for payment of compensation on account of idle labour on any ground including non-possession of land.
  13. The Government shall not be held liable for any compensation due to machines becoming idle for any circumstances including untimely rains, other natural calamities, strike etc.
  14. No Adjustment of Price or Price Escalation of any kind will be allowed.
  15. Imposition of any duty / tax / royalty etc. whatsoever of its nature (after work order / Commencement and completion of the work) is to be borne by the bidder. Original challans of those materials, which are procured by the bidder, may be asked to be submitted for verification.
  16. No mobilization / secured advance will be allowed unless specified otherwise.
  17. Income Tax, GST and other Taxes if any are to be paid by the contractor. No extra payment will be made for these. The rates of supply and finished work items are inclusive of these.
  18. All working tools and plants, scaffolding, construction of vats & platforms will have to be arranged by the contractor at his own cost.
  19. The contractor shall supply mazdoors, bamboos, ropes, pegs, flags etc. for layiOng out the work and for taking and checking measurements for which no extra payment will be made.
  20. The contractor should see the site of works and tender documents, drawings etc. before submitting tender and satisfy himself regarding the condition and nature of works and ascertain difficulties that might be encountered in executing the work, carrying materials to the site work, availability of drinking water and other human requirements and security etc. The Engineer-in-Charge may order the contractor to suspend any work that may be subjected to damage by climate conditions. No claim will be entertained on this account. The contractor will not be entitled to any claim or extra rate on any accounts.
  21. A machine page numbered Site Order book (with triplicate copy) will have to be maintained at site by the contractor and the same has got to be issued from the Engineer-in-Charge before commencement of the work. Instructions given by inspecting officers will be recorded in this book and the contractor must note down the action taken by him in this connection as quickly as possible.
  22. The work will have to be completed within the time mentioned in the tender notice. A suitable work program is to be submitted by the contractor within 7(seven) days from the date of receipt of work order which should satisfy the time limit of completion. The contractor should inform in writing the name of his authorized representative at site within 7 (seven) days from the date of receipt of work order who will receive instruction of the work, sign measurement book, bills and other Govt. papers etc.
  23. No compensation for idle labour, establishment charge or on other reasons such as variation of price index etc. will be entertained.
  24. All possible precautions should be taken for the safety of the people and work force deployed at worksite as per safety rule in force Contractor will remain responsible for his labour in respect of his liabilities under the Workmen's Compensation Act etc. He must deal with such cases as promptly as possible. Proper road signs as per P.W.D. practice will have to be made by the contractor at his own costs while operating a republic thoroughfare.

25. The contractor will have to maintain qualified technical employees and/or Apprentices at site as per prevailing Apprentice Act or other Department Rules & Orders circulated from time to time.
26. The contractor will have to accept the work program and priority of work fixed by the Engineer-in-Charge so that most vulnerable reach and / or vulnerable items be completed before the date needed by the Department due to impending monsoon or rise of water level or for other reasons.
27. The quantities of different items of work mentioned in the tender schedule or in work order are only tentative. In actual work, these may vary considerably. Payment will be made on the basis of works actually done in different items and no claim will be entertained for reduction of quantities in some items or for omission of some items. For execution of quantitative excess of any item beyond 10% or supplementary works, approval of the Superintending Engineer / Chief Engineer would be required depending on whoever be the Tender Accepting Authority, before making payment.
28. Any materials brought to site by contractor must be subject to approval of the Engineer-in-Charge. The rejected materials must be removed by the contractor from the site at his own cost within 24 hrs. of issue of the order to that effect. The rates in the schedule are inclusive of cost and carriage of all materials to worksite. The materials will have to be supplied in phase with due intimation to the Sub-Divisional Officer concerned in conformity with the progress of the work. For special type of materials, relevant Data Sheet containing the name of the Manufacturers. Test Report etc. will also be submitted in each occasion. Engineer-in-Charge may conduct independent test on the samples drawn randomly before according approval for using the materials at site. In this regard decision of Engineer-in-Charge is final and binding.
29. The contractor has to arrange for all necessary testing of materials supplied by contractor or any component of executed work from a NABL accredited lab/KMDA laboratory/JU or IIST lab at his own cost as directed by the Engineer in Charge.
30. The Tender Inviting Authority (TIA) reserves the right to waive any **minor deviations** in the qualification criteria if they do not materially affect the capability of a Bidder to perform the Contract.
31. In case if there is any objection regarding Pre-qualification/ list of " Qualified Bidders", that objection should be lodged to the Tender Inviting Authority **within 24 hours** from the date and time of publication of list of technically qualified bidder and beyond that time schedule, it is to be considered that all the technically qualified bidders have no objection on all documents submitted by other participated bidders and no objection will be entertained by the Tender Inviting Authority beyond that time. The decision of the Tender Inviting Authority will be final and binding to all concerned and no challenge against such decision will be entertained.
