22. ADDITIONAL ITEMS BEYOND THE SCOPE OF THE CONTRACT:

- 22.1. During the process of execution of the job under the contract if any additional item of works quantities beyond the scope of contract is required to be done as per the opinion of the Engineer-in-charge, such additional items and quantities shall have to be executed by the contractor as supplementary items when so directed by the EIC.
- 22.2. Notwithstanding what has been stated in clause 12 of the printed tender form, rates of supplementary items of works will be determined according to sub-clauses in order of precedence as given below.
 - 22.2.1. The rates shall be analysed to the maximum extent possible from the rates of allied items of work appearing in the specific priced schedule.
 - 22.2.2. To complete the analysis if necessary, the rates appearing in the "Schedule" (as defined under clause-1.1. above) shall be applicable for the portion remaining after application of clause-22.2.1.
 - 22.2.3. To complete the analysis if necessary, the rates appearing in the "P.C. Schedule" (as defined under clause-1.2. above) shall be applicable for the portion remaining after application of clause-22.2.1 and 22.2.2.
 - 22.2.4. If the analysis cannot be completed even after application of clause- 22.2.1, 22.2.2 and 22.2.3 above, the balance shall be determined from the market rates of material and labour.
 - 22.2.5. The contractual percentage shall be applicable in regard to the portion of the analysis based on clause 22.2.1, 22.2.2 and 22.2.3 above.
 - 22.2.6. Profit inclusive of overhead charges shall be added at the rate of 10(ten) percent in regard to the portion of the analysis based on clause-22.2.4 above.

23. Issue of KMDA Materials

- 23.1. No departmental materials shall be issued to the agency by any extent. All materials are needed to be procured by the agency as per requirement at site and as decided by the EIC.

- 23.2. Materials, so procured, will be checked by the EIC at site. Upon approval of the EIC, the agency can use his materials as per his/her requirement.
- 23.3. The contractor itself shall be responsible for any damage or loss of such materials and the department will not take any responsibility of such damage or loss, by any circumstances.
- 23.4. The contractor shall also have to satisfy the EIC regarding the proper utilization of such materials.
- 23.5. The contractor should have to submit the Manufacturer's Test Certificates (MTCs) and challans as and when he/she procures materials for his/her site, batch wise. The materials, if needed, should have to be tested at any NABL accredited laboratory, as per decision and direction of the EIC. If it is so required, departmental officers may visit the manufacturer's workshop for verification of its certification and methodology of production of such material. All such costs would have to be borne by agency itself.
- 23.6. The consumption of different materials of construction against the various items of works will be assessed on the basis of the 'chart for consumption of materials', given in the P.C. Schedule, unless specifically mentioned otherwise in the technical specifications. If any item is not available in the 'Schedule', the same shall have to be obtained from 'P.C. Schedule'. The permissible variation as given in the preamble to the said chart for consumption of materials will normally apply provided what has been stated under the clauses. The EIC under special circumstances shall be component to allow (for recorded reasons) for a greater variation.

24. WORK PROGRAMME

- 24.1. The work must be taken up within 7 (seven) days from the date of issue of work order and be complete in all respects within the specified time of completion as mentioned in Detailed Notice Inviting Tender.
- 24.2. The Contractor shall submit the work programme clearly showing the materials, men and equipment and a time table divided into four equal periods of progress of the work for the approval of the Engineer-in-Charge who will have authority to make additions, alteration and substitution to such programme in consultation with the Contractor, unless the same is subsequently found impracticable in some or all respect, in the opinion of the Engineer-in-Charge and is modified by him. The stipulations laid down in clause – 2 of the condition of contract in the printed tender form regarding the division and progress as provided in the said clause, shall be deemed to have been sufficiently complied with if the actual progress of work does not fall short of the progress as laid down in the approved time table for one – fourth, half and three fourth of the time allowed for the work. The work programme shall be submitted in the form of CPM Network chart and or in Bar Chart each in triplicate.

25. SETTING OUT OF WORK

- 25.1. The contractor shall be responsible for the true and perfect setting out of the works and for the correctness of the position, levels, dimensions and alignment of all parts of the work. If at any time during the progress of the work any error shall appear or arise on the position, levels, dimensions or alignment of any parts of the works the contractor on being directed to do so by the Engineer-in-Charge shall at their own expenses rectify such error to the satisfaction of the Engineer-in-Charge.
- 25.2. Any setting out that may be done or checked by the Engineer-in-Charge or his representative or any line or level that may have been given or checked by either of them shall not in any way relive the contractor of his responsibility for the correctness thereof.
- 25.3. Before starting the work, the Contractor must at his own cost and expense, erect temporary pillars as may be required in suitable places as directed by the Engineer-in-Charge. These pillars, from which the layout of all-important levels and alignment will be fixed, must be at such locations and of such a nature as not to be disturbed in the process of construction. The Contractor shall provide all instruments, appliances and labour required for setting out of the works and for the use and

attendance upon the Engineer – in – Charge and / or his authorised representative whenever required for any purpose in connection with the works.

26. WORKING DRAWINGS

- 26.1. It is to be clearly understood that drawings forming a part of the tender documents are only for the purpose of indicating the type and nature of work involved. These are subject to be subsequently modified and/or supplemented by other drawings as required during actual execution of the work.
- 26.2. All works shall be carried out in conforming to drawings approved by KMDA. In token of such approval the drawings shall bear the signature of the Engineer-in-Charge before the same are issued for execution of the work in accordance there with. Such approval on drawings may be furnished on piecemeal as and when required during the progress of the work. The Contractor shall keep in touch with the Engineer-in-Charge about the drawings that may be under checking or in the process of approval and keep him informed well in advance of the particular drawing and drawings he would next require for the smooth progress of work.

27. WORKMANSHIP AND TESTING

- 27.1. All materials and workmanship shall be of the respective kinds described in the contract and shall be subject from time to time to such tests as the Engineer-in-Charge may direct at the place of manufacture of fabrication or on the site or at any such place. The Contractor shall provide assistance, instruments, machines, labour and materials as the Engineer-in-Charge may require for examining, measuring and for testing the works and the quality, weight or quantity of the materials used and shall supply samples for testing as may be selected and required by the Engineer-in-Charge. Necessary charges shall be borne by the Agency.
- 27.2. The Contractor shall keep in mind that officials of quality control unit of KMDA may be deputed at the site of works for testing of materials and workmanship. The Contractor shall extend necessary help in performing such tests at their own cost.
- 27.3. The Contractor shall also keep in mind that KMDA may provide 3rd party agency viz. Jadavpur University, Indian Institute of Engineering, Science and Technology, Shibpur, Indian Institute of Technology, Kharagpur etc. at the site of works for testing of materials and workmanship in addition to KMDA Quality Control unit. If any discrepancies arise regarding results between KMDA Quality Control and 3rd party quality, the decision of Tender Accepting Authority will be final. Necessary charges shall be borne by the Agency.

28. CO-OPERATION AND CO-ORDINATION WITH OTHER CONTRACTORS

During the pendency of this contract KMDA shall have the liberty to engage a number of contractors for ancillary works (not provided in this contract) on completion of any part of the job and the contractor shall extend co – operation to other contractors.

29. COMPLETION DRAWINGS

Immediately on completion of the work the Contractor shall submit completion drawings, made in autoCAD software, 6 (six) hardcopies (preferably in A1 sheet), including the original softcopies (autoCAD and pdf formatted) of the same, each for all the works executed by him under the contract, for approval of the Engineer-in-Charge. The Contractor's rate shall be inclusive of such costs.

30. TOOLS AND PLANTS

The Contractor shall install tools and plants including HOT MIX PLANT at the land to be arranged by him at his own cost and he/they shall have to provide necessary approach road to the plant site from the site of work at his own cost.

Mobilization and installation of TOOLS and PLANT shall have to be completed by the Contractor at his own cost within 30 (Thirty) days from the date of receipt of the letter of acceptance of his Tender or the provisional work order, whichever is later, failing which the contract will be liable to termination with forfeiture of the amount of initial security as per detailed N.I.T. that may be lying with KMDA at that time without any reference to the contractor.

31. GUARANTEE AND MAINTENANCE

The Contractor shall stand guarantee for the works done by him for a period of **1 (One Year)** from the date of completion of work. Full security deposit shall be refunded to the contractor on expiry of **1 (One Year)** from the actual date of completion of the work. Any defects and short comings due to defective construction shall have to be made good by the Contractor at his own cost and expense inclusive of all cost of materials and labours. The Contractor shall have to make good the damages due to natural wear and tear at his own cost and expense inclusive of all cost of materials and labours. The Contractor shall have to maintain the assets for the entire guarantee period. The rate to be quoted by the Contractor shall be inclusive of all such costs.

32. REGISTRATION OF ESTABLISHMENT AND COLLECTION OF CESS

As per Building and other construction workers (RECS) Act 1996 and Building and other construction workers Welfare Cess Act 1996 and rules framed there under, the contractor employing more than ten construction workers should obtain registration from the registering officer (Assistant Labour Commissioner at regional labour offices) and an amount @ 1% as Cess shall be deducted from the progressive bill for the work executed as per G.
