Sub: Approval for date corrigendum

Name of Work: Geo-Physical and Hydrogeological Studies for Sinking & Re-Sinking of Deep Tube Wells for Community Water Supply under KMDA within the premises of Duilya Head Works under Duilya GP in the district of Howrah.

The NIT for the above noted work was sent to PRO cell on dt. 06.11.2025 for publication in the newspaper as per prevailing norms. (copy attached as CP-1). The last date for bid submission was 28.11.2025 at 06.45 PM. But during floating the NIT in the NIC website it is seen that up to 01.12.25 there is no scope for bid submission as the daily quota of 400 nos tender has already fulfilled (copy attached as CP-2).

So, to manage the situation approval from the competent authority is necessary to extend the last date of bid submission.
