2.3 Financial Proposal (PART-II)

The financial proposal shall contain the following documents i.e.,

Bill of quantities (BOQ): The bidder is to offer rate/amount in absolute figure (in rupees) including all sorts of taxes, cess, duties, freight, insurance, loading-unloading, packing, forwarding etc., repairing and overhauling, supply of materials, consumables, tools and tackles, manpower etc., i.e. all inclusive and all complete in all respects, as per site-requirement & up to the satisfaction of the EIC (Engineer-in-charge). The rates to be quoted online electronically in the space marked for quoting rate in the BOQ. Only downloaded copies are to be uploaded virus scanned & digitally signed by the contractor.

3.0 Earnest Money Deposit:

In addition to the complete set of tender documents as mentioned here in before, the tenderer shall have to deposit an amount as earnest money (as mentioned earlier) online. Please note that submission of tender without earnest money will be treated as non-responsive.

Balanced (with respect to already deposited) amount to determine @2% of the contract/accepted amount is to be deposited within 7 working days emanating from the date of informing so, failing which the already deposited earnest money will be forfeited and in addition necessary action will be taken against the bidder as deemed fit by the competent authority in KMDA.

The earnest money deposited otherwise will not be accepted and the tender will not be valid.

No exemption of EMD will be allowed.

4.0. Security Deposit:

The successful tenderer shall have to provide for as security for the work an amount in terms of clause no.1 of the printed tender form.

An amount at the rate of 10% (including the EMD, may be @02% of the contract amount) (time to time Govt. norms will be in vogue in this respect) of the completed work will be retained during processing/releasing of the same as security deposit money and the amount thus recovered will be released as mentioned elsewhere. This is inclusive of the security money (may be @02% of the contract amount) already deposited as earnest money with the Department. Any sorts of taxes, cess, duties etc, as applicable in this Authority time to time, will also be deducted from the progressive running bills/final bill.

In case the total amount of the retainable security deposit is more than Rs 2.00 (two) lakh, then the contractor, at his own choice/option, may apply to the department for consideration to keep the amount of deductible security deposit exceeding Rs.2.00 (two) lakh in the form of Bank Guarantee from a scheduled/nationalized Bank in Kolkata valid for guarantee period in the prescribed format of the department.

Failure on the part of the contractor (successful bidder) in depositing the differential amount/balanced amount excluding the initial EMD to make @2% of the accepted/contract amount within the specified period, where so required, in terms of above, shall constitute a breach of the obligations and shall render the offer/contract liable for termination with forfeiture of initial EMD that would be lying with KMDA mentioned above without any reference to the bidder.

5.0 Defect Liability Period:

(1) Clause 17 of CONDITIONS OF CONTRACT of the Tender Form No.1 shall be substituted by the followings as per G.O. no.:5784-PW/L&A/2M-175/2017 dated 12/09/2017:

Clause 17 - If the contractor or his workmen or servants or authorized representatives shall break, deface, injure, or destroy any part of building, in which they may be working, or any building, road, road-curbs, fence, enclosure, water pipes, cables, drains, electric or telephone posts or wires, trees, grass or grassland or cultivated ground contiguous to the premises, on which the work or any part of it is being executed, or if any damage shall happen to the work from any cause whatsoever or any imperfection become apparent in it at any time whether during its execution or within a period of three months or one year or three years or five years, as the case may be (depending upon the nature of the work as described in the explanation appended hereto) hereinafter referred to as the Defect Liability Period, from the actual date of completion of work as per completion certificate issued by the Engineer-in-Charge, the contractor shall make the same good at his own expense, or in default, the Engineer-in-Charge may cause the same to be made good by other workmen and deduct the expense (of which the certificate of the Engineer-in-Charge shall be final and binding on all concerned) from any sums, whether under this contract or otherwise, that may be then, or at any time thereafter become due to the contractor from the Government or from his security deposit, either full, or of a sufficient portion thereof and if the cost, in the opinion of the Engineer-in-Charge (which opinion shall be final and conclusive against the contractor), of making such damage or imperfection good shall exceed the amount of such security deposit and/or such sums, it shall be lawful for the Government to recover the excess cost from the contractor in accordance with the procedure prescribed by any law for the time being in force.

Provided further that the Engineer-in-Charge shall pass the "Final Bill" and certify thereon, within a period of thirty days with effect from the date of submission of the final bill in acceptable form by the contractor, the amount payable to the contractor under this contract and shall also issue a separate completion certificate mentioning the actual date of completion of the work to the contractor within the said period of thirty days. The certificate of the Engineer-in-Charge whether in respect of the amount payable to the contractor against the "Final Bill" or in respect of completion of work shall be final and conclusive against the contractor. However, the security deposit of the work held with the Government under the provision of clause 1 hereof shall be refundable to the contractor in the manner provided here under:-

(a) For work with three months Defect Liability Period:

(i) Full security deposit shall be refunded to the contractor on expiry of three months from the actual date of completion of the work.

(b) For work with one year Defect Liability Period:

(i) Full security deposit shall be refunded to the contractor on expiry of one year from the actual date of completion of the work.

(c) For work with three years Defect Liability Period:

(i) 30% of the security deposit shall be refunded to the contractor on expiry of two years from the actual date of completion of the work;

(ii) The balance 70% of the security deposit shall be refunded to the contractor on expiry of three years from the actual date of completion of the work;

(d) For work with five years Defect Liability Period:

(i) No security deposit shall be refunded to the contractor for 1st 3 years from the actual date of completion of the work;

- (ii) 30% of the security deposit shall be refunded to the contractor on expiry of four years from the actual date of completion of the work;
