4.0 Earnest Money Deposit :

In addition to the complete set of Tender documents as mentioned here in before, the Tenderer shall have to deposit an initial earnest money of Rs.9,570.00 to be deposited at the time of bidding through online. The balance amount of earnest money (Total 2 % (two percent) of E.M. of the value of quoted / accepted amount – Rs.9,570.00 /-) will have to be deposited to the department through prevailing mode within 10 working days by the L1 (lowest) bidder only after issuance of L.O.I., failing which the initial E.M.D. may be forfeited. The Work order will be issued only after receiving the total E.M.D. amount. Please note that submission of tender without earnest money will be treated as non-responsive.

The initial earnest money shall be deposited with the Tender / offer as per online e-procurement requirement in favor of KMDA payable at Kolkata.

5.0. Security Deposit :

While making any payment to the person(s) whose tender has been accepted (hereinafter shall be called the contractor) for work done under the contract, the authority making payment shall deduct such sum which together with the Earnest Money already deposited and converted into security deposit, shall amount to @10 % of the value of works executed at the material point of time and paid during the progressive running accounts bills, so that total deduction together with Earnest Money constitute @ 10% of the tendered value of work actually done.

In case of excess/and supplementary work over the tendered amount, additional security @ 10% of such additional amount is to be deposited for all such excess/and supplementary works beyond the tendered amount before payment of final bill.

Compensation of all other sums of money payable by the contractor to the Government under the terms of the contract may be deducted from security deposit.

However, even though the earnest money deposited exceeds the prescribed percentage, due to reduction of tendered amount due to any reason whatsoever, such additional earnest money shall be deemed to have been converted into security and further deductions from progressive bills shall be made, taking into consideration the enhanced component of earnest money so converted into security.

Security deduction will not normally be required for hiring of inspection vehicles and boats etc., supply of tools & plants, furniture and computer peripherals. Separate agreement may be required in those cases, particularly for consultancy and RFP for EPC, which shall be made in standard formats to be approved by the Government.

After completion of the work, the Contractor may opt for refund of the security deposit by replacing equal amount of bank guarantee of scheduled bank valid up to 3 months beyond the defect liability period. However, release of security deposit shall be done as per Defect Liability Clause mentioned here under and/or as per norms/practices prevailing in KMDA from time to time.

In case the total amount of the retainable security deposit is more than Rs 2.00 lakh, then the contractor, at his own choice/ option, may apply to the department for allowing him to keep the amount of deductible security deposit exceeding Rs 2.00 lakh in the form of Bank Guarantee from a scheduled Bank in Kolkata beyond the defect liability period and valid for the entire guarantee period in the prescribed format of the department.

Failure on the part of the contractor (successful bidder) in depositing the additional amount of initial security where so required in terms of above shall constitute a breach of the obligations and shall render the offer / contract liable for termination with forfeiture of initial security deposit that may be lying with KMDA as in clause 1.8 above without any reference to the bidder.

6.0 Statutory Deduction of taxes / duties / Cess etc. :

Income Tax will be deducted from the contractor's bill at the rate in accordance with the orders/ circulars of the Union Government of India in force during the contractual period.

If the Union Government of India declares any variation of the tax structure during the pendency of the contract, it shall be to the contractor's account.

G.S.T. of the gross billed value for registered dealer will be deducted from the contractor's bill at the rate in accordance with the orders/ circulars of the Government of West Bengal in force during the contractual period

If any variation in the tax structure declared by the Government of West Bengal during the pendency of the contract shall be to the contractor's account.

6.1 Additional Performance security:

Additional performance security @ 10 % of the tendered amount shall be obtained from the successful bidder if the accepted bid value is 80 % or less of the estimate putto tender. Additional performance security shall be submitted in the form of Bank Guarantee from any schedule bank before issuance of the work order if the bidder fails to submit additional performance security within 7 (seven) working days from the date of issuance of Letter of acceptance, his EMD will be forfeited and other necessary action like black listing of contractor etc may be taken .the bank guarantee to be valid up-to the end of contract period shall be renewed accordingly if required

7.0 Defect Liability Period :

(1) Clause 17 of CONDITIONS OF CONTRACT of the Tender Form No.1 shall be substituted by the followings as per G.O. no.:5784-PW/L&A/2M-175/2017 dated 12/09/2017:

Clause 17 - If the contractor or his workmen or servants or authorized representatives shall break, deface, injure, or destroy any part of building, in which they may be working, or any building, road, road-curbs, fence, enclosure, water pipes, cables, drains, electric or telephone posts or wires, trees, grass or grassland or cultivated ground contiguous to the premises, on which the work or any part of it is being executed, or if any damage shall happen to the work from any cause whatsoever or any imperfection become apparent in it at any time whether during its execution or within a period of **three months or one year or three years or five years, as the case may be (depending upon the nature of the work as described in the explanation appended hereto)** hereinafter referred to as the **Defect Liability Period**, from the actual date of completion of work as per completion certificate issued by the Engineer-in-Charge, the contractor shall make the same good at his own expense, or in default, the Engineer-in-Charge may cause the same to be made good by other workmen and deduct the expense (of which the certificate of the

Engineer-in-Charge shall be final and binding on all concerned) from any sums, whether under this contract or otherwise, that may be then, or at any time thereafter become due to the contractor from the Government or from his security deposit, either full, or of a sufficient portion thereof and if the cost, in the opinion of the Engineer-in-Charge (which opinion shall be final and conclusive against the contractor), of making such damage or imperfection good shall exceed the amount of such security deposit and/or such sums, it shall be lawful for the Government to recover the excess cost from the contractor in accordance with the procedure prescribed by any law for the time being in force.

Provided further that the Engineer-in-Charge shall pass the "**Final Bill**" and certify thereon, within a period of **thirty days** with effect from the date of submission of the final bill in acceptable form by the contractor, the amount payable to the contractor under this contract and shall also issue a separate completion certificate mentioning the actual date of completion of the work to the contractor within the said period of **thirty days**. The certificate of the Engineer-in-Charge whether in respect of the amount payable to the contractor against the "**Final Bill**" or in respect of completion of work shall be final and conclusive against the contractor.
