The financial proposal shall contain the following documents i.e.,
Bill of quantities (BOQ): The bidder is to offer item-rate including all sorts of taxes, cess, duties, freight, insurance, registrations, loading-unloading, packing, forwarding, supply, testing-commissioning etc., required manpower etc., i.e. all inclusive and all complete in all respects, aspects & dimensions; providing necessary and sufficient training to the working personnel; necessary maintenance works providing required manpower like supervisors, labourers etc., all sorts of consumables etc., all complete and up to the satisfaction of the EIC (Engineer-in-charge) in all respects, online through computer in the space marked for quoting rate in the BOQ. Only downloaded copies are to be uploaded virus scanned & digitally signed by the contractor.

3.0 Earnest Money Deposit:

In addition to the complete set of tender documents as mentioned here in before, the tenderer shall have to deposit an amount as earnest money (as mentioned earlier) online. Please note that submission of tender without earnest money will be treated as non-responsive.

The earnest money deposited otherwise will not be accepted and the tender will not be valid.

No exemption of EMD will be allowed.

4.0. Security Deposit:

While making any payment to the person(s) whose tender has been accepted (hereinafter shall be called the contractor) for work done under the contract, the authority making payment shall deduct such sum which together with the Earnest Money already deposited (EMD) and converted into security deposit, shall amount to @10% of the value of works executed at the material point of time and paid during the progressive running accounts bills, so that total deduction together with Earnest Money constitute @10% of the tendered value of the work actually done.

In case of excess/and supplementary work over the tendered amount, additional security @10% of such additional amount is to be deposited for all such excess/and supplementary works beyond the tendered amount before payment of final bill.

Compensation of all other sums of money payable by the contractor to the Government under the terms of the contract may be deducted from security deposit.

However, even though the earnest money deposited exceeds the prescribed percentage, due to reduction of tendered amount due to any reason whatsoever, such additional earnest money shall be deemed to have been converted into security and further deductions from progressive bills shall be made, taking into consideration the enhanced component of earnest money so converted into security.

Security deduction will not normally be required for hiring of inspection vehicles and boats etc., supply of tools & plants, furniture and computer peripherals. Separate agreement may be required in those cases, particularly for consultancy and RFP for EPC, which shall be made in standard formats to be approved by the Government.

After completion of the work, the Contractor may opt for refund of the security deposit by replacing equal amount of bank guarantee of scheduled bank valid up to 3 months beyond the defect liability period. And such refund of the security deposit by replacing equal amount of bank guarantee will be applicable only for capital works (and not for O&M WORKS), but such bank guarantee of scheduled bank must be valid up to 3 months beyond the defect liability period AS MENTIONED ELSEWHERE.

However, release of security deposit shall be done as per usual norms prevailing in KMDA from time to time and based on the Defect Liability Clause.

5.0 Defect Liability Period:

(1) Clause 17 of CONDITIONS OF CONTRACT of the Tender Form No.1 shall be substituted by the followings (as per G.O. no.:5784-PW/L&A/2M-175/2017 dated 12/09/2017):

Clause 17 - If the contractor or his workmen or servants or authorized representatives shall break, deface, injure, or destroy any part of building, in which they may be working, or any building, road, road-curbs, fence, enclosure, water pipes, cables, drains, electric or telephone posts or wires, trees, grass or grassland or cultivated ground contiguous to the premises, on which the work or any part of it is being executed, or if any damage shall happen to the work from any cause whatsoever or any imperfection become apparent in it at any time whether during its execution or within a period of **three months or one year or three years or five years, as the case may be (depending upon the nature of the work as described in the explanation appended hereto) hereinafter referred to as the Defect Liability Period**, from the actual date of completion of work as per completion certificate issued by the Engineer-in-Charge, the contractor shall make the same good at his own expense, or in default, the Engineer-in-Charge may cause the same to be made good by other workmen and deduct the expense (of which the certificate of the Engineer-in-Charge shall be final and binding on all concerned) from any sums, whether under this contract or otherwise, that may be then, or at any time thereafter become due to the contractor from the Government or from his security deposit, either full, or of a sufficient portion thereof and if the cost, in the opinion of the Engineer-in-Charge (which opinion shall be final and conclusive against the contractor), of making such damage or imperfection good shall exceed the amount of such security deposit and/or such sums, it shall be lawful for the Government to recover the excess cost from the contractor in accordance with the procedure prescribed by any law for the time being in force.

Provided further that the Engineer-in-Charge shall pass the “**Final Bill**” and certify thereon, within a period of **thirty days** with effect from the date of submission of the final bill in acceptable form by the contractor, the amount payable to the contractor under this contract and shall also issue a separate completion certificate mentioning the actual date of completion of the work to the contractor within the said period of **thirty days**. The certificate of the Engineer-in-Charge whether in respect of the amount payable to the contractor against the “**Final Bill**” or in respect of completion of work shall be final and conclusive against the contractor. However, the security deposit of the work held with the Government under the provision of **clause 1** hereof shall be refundable to the contractor in the manner provided here under:-

(a) For work with **three months Defect Liability Period**:

- (i) **Full** security deposit shall be refunded to the contractor on expiry of three months from the actual date of completion of the work.
- (b) For work with **one year Defect Liability Period**:
 - (i) **Full** security deposit shall be refunded to the contractor on expiry of **one year** from the actual date of completion of the work.
- (c) For work with **three years Defect Liability Period**:
 - (i) **30%** of the security deposit shall be refunded to the contractor on expiry of two years from the actual date of completion of the work;
 - (ii) The balance **70%** of the security deposit shall be refunded to the contractor on expiry of three years from the actual date of completion of the work;
- (d) For work with **five years Defect Liability Period**:
 - (i) **No** security deposit shall be refunded to the contractor for 1st 3 years from the actual date of completion of the work;
 - (ii) **30%** of the security deposit shall be refunded to the contractor on expiry of **four years** from the actual date of completion of the work;
